

WPO RESOLUTION

On February 24th 2022 Russia attacked and launched an invasion on its neighbouring country Ukraine. The Russian attack on Ukraine is a clear violation and

breach of international law.

The World Ploughing Organisation strongly condemn Russia and its leadership for this atrocious conduct. The 67th World Ploughing Contest is scheduled to take place on August 13th – 14th in

St. Petersburg, Russia.

The event was to be hosted by the Russian Ploughing Organisation in 2022.

The World Ploughing Organisation's slogan is: Pax Arva Collat - Let Peace Cultivate The Soil.

Russia's conduct towards Ukraine is in direct contradiction to WPO's slogan Pax Arva Collat.

The World Ploughing Organisation must not allow itself to be associated with the current Russian leadership.

Therefore, **the World Ploughing Governing Board has decided to cancel the forthcoming 67th World Ploughing Contest in St. Petersburg, Russia.**

General Secretary
